

Brian White

Brian is a lobbyist at KP who provides strategic counsel on policy, regulatory consulting, and legislative advocacy for a variety of clients. With an extensive government affairs background, Brian is a seasoned public policy and legislative strategist who holds expertise in many policy areas, including utilities, renewable energy, oil and gas, housing, land use, water and natural resources, transportation and supply chain, forestry and wildfires, education, career tech, and workforce preparation issues that impact various industries, trade associations and governmental agencies. His experience in building coalitions and fostering positive relationships for a diverse client base makes Brian particularly adept in finding proactive solutions that positively benefits clients while also being able to neutralize potential negative threats.
