

Pat Zenzola

Pat is a lobbyist with over 20 years of experience developing and implementing legislative and regulatory advocacy strategies on behalf of financial services, technology and insurance clients. He has in-depth expertise in banking, consumer lending, information privacy, emerging technologies and insurance. Pat has most recently focused on high-profile mortgage lending and foreclosure policy issues impacting the housing marketplace, on privacy and security breach policy efforts impacting the use of personal identifying information and on the regulation and marketplace application of emerging technology such as autonomous vehicles and unmanned aerial vehicles.
